

WESTMONT HIGH SCHOOL
HANDBOOK AND STUDENT CONTRACT
2024-2025 CHEER TEAMS (SIDELINE, TCC, CSC)

I - STATEMENT OF PURPOSE

The Westmont High School (WHS) Cheer Squads shall promote and direct school spirit, win or lose, extend hospitality to visiting squads and fans, choose appropriate cheers and encourage positive attitudes and actions from the spectators. Athletes should always conduct themselves in a manner that will bring credit and respect to our teams, school, and community.

It is a great honor to be a cheerleader for WHS. Each cheerleader shall display exemplary sportsmanship and proper conduct as an official student representative of WHS.

II - TERM OF OFFICE

WHS Cheerleaders will be considered to be in office from the announcement of squads (March 2024) until the last cheer event for their selected season.

Breakdown of term per team (Sideline, TCC, CSC) are explained in Sections 9-11 (pages 10-13).

III – STUDENT-ATHLETE CODE OF CONDUCT

*Westmont High School believes that a student should consider participation in athletics as both a **privilege** and a **responsibility**. The **privilege** is the opportunity to take part in the athletic program provided by the school, and this **privilege** may be revoked when the student fails or refuses to comply with the rules. The **responsibility** is found in representing the school, which involves maintaining academic eligibility, high standards of citizenship at all times, sportsmanship and playing the game to the best of his/her ability. Respect for and compliance with the school's Student Athlete Code of Conduct is expected of every student who participates.*

ACADEMIC ELIGIBILITY / ATTENDANCE

In accordance with BVAL and CCS rules and regulations, student athletes must meet the following minimum requirements:

- Current enrollment in five classes for a minimum of 25 units
- Passing grades in 20 or more credits of course work (no more than one "F")
- GPA of 2.0 (with no more than one "F") in the previous 6 week grading period. Should the student athlete fall below a 2.0, a probationary period may be applied for at the discretion of the coach and administration, once during frosh/soph years and once during junior/senior years (though not in concurrent semesters), as long as the GPA is not below 1.75.
- **Second time ineligible:** If grade requirements have not been met two times within a given cheer season, athlete will be removed from the WHS Cheer Team, **forfeiting their position as a Cheerleader for WHS.**
- Transfer students must meet all eligibility guidelines
- Must attend 2 out of 3 classes daily in order to be eligible for athletic contests, and must participate fully in all classes including P.E. Students who are absent from school for "unexcused reasons" are not eligible to participate in athletics for that day.

- Students who are excused early for a game are responsible for missed work and should use tutorial to make up work; making up work after school is not an excuse to miss practice, but if this becomes necessary the student must communicate with his/her coach prior to missing practice.
- Practice attendance is required every day that a student is at school. Parent/guardian must notify their coach prior to missing a practice.
- Prolonged absences, for any reason, may result in the squad athlete being benched or missing a performance.
- A note will be required if an athlete is seriously ill or injured and under the care of a doctor.

COMPETING ON AN OUTSIDE TEAM

A student on a high school team becomes ineligible if the student competes in a contest on an “outside” team in the same sport during the student’s high school season. [This applies primarily towards TCC Season, but can extend into Sideline and CSC seasons depending on the schedule overlap.](#)

GRIEVANCE PROCEDURE

The grievance process is intended to be a process whereby concerns of alleged unfair treatment of athletes can be addressed in a timely manner. We believe that a quick and honest discussion between all parties will result in the positive resolution of concerns and an improvement of the atmosphere for both athletes and coaches. The list below of legitimate and non-legitimate grievances is intended to be a guideline, not an all-inclusive list.

Legitimate grievances:

1. Failure to provide due process in disciplinary action.
2. Failure to provide a fair opportunity to compete to make the team (cut-off).
3. Mistreatment of athletes: Foul, inappropriate language.
4. Any violation of an adopted code: ethics, conduct, and expectations.

Non-legitimate grievances:

1. Athlete not given preferred position in performance
2. Athlete not stunting or tumbling in preferred position
3. Strategies used by the coach
4. Win/Loss record of the team or coach. Legitimate grievances should be addressed first with the coach at a scheduled time (not before, during, after practice or contests). If this meeting does not bring about a satisfactory resolution a meeting may be held involving the student, parent, coach and athletic director in a reasonable and timely manner.

DISCIPLINARY ACTIONS

The following actions will be applicable through the entire school year. Student/athletes involved in non-school related, off-campus offenses or other illegal activity will face disciplinary actions at the discretion of the coach and school administration. At any time administration can choose to remove athletes from sports participation due to disciplinary action.

It is highly encouraged for athletes to discuss individual behaviors with the team and captains first, prior to bringing the offense to the coach/administration. Offenses that cannot be resolved as a team may result in an omitted performance for the whole team.

1. Social Media Policy: Student/athletes are responsible for good behavior on the Internet just as they are in a school building or on the athletic field of competition. If a student/athlete’s use of the Internet creates a disruption to the school, the Athletic Department and/or the team, even if it is a first offense, the student/athlete will be held responsible and will face consequences as determined by the coaching staff/administration including but not limited to:

- Suspension from the team for rallies, competitions and/or games (football/basketball/CSC)
- Dismissal from the team

2. Violation of Alcohol/Drug/Tobacco Policy: Any student/athlete caught in violation of school alcohol/drug/tobacco policy, even if it is a first offense, will face consequences as determined by the coaching staff/administration including but not limited to:

- Suspension from the team for rallies, competitions and/or games (football/basketball/CSC)
- Dismissal from the team

3. Assault/Fighting: Any student/athlete involved in an assault/fight either on campus or off, even if it is a first offense, will face consequences as determined by the coaching staff/administration including but not limited to:

- Suspension from the team for rallies, competitions and/or games (football/basketball/CSC)
- Dismissal from the team

4. Other Violations: Any student/athlete that violates Organization Rules (UCA, USA, USA Cheer), Cheer Program Rules, or behave in ways that reflect negatively on the Westmont Cheer Team on campus or off, even if it is a first offense, will face consequences as determined by the coaching staff/administration including but not limited to:

- Suspension from the team for rallies, competitions and/or games (football/basketball/CSC)
- Dismissal from the team

5. Suspension: Any student/athlete who is suspended from school for defiance of authority or any action not mentioned above will face the following disciplinary actions:

- If an athlete is suspended from school for a full day, s/he will be placed on suspension from cheer for 6 weeks.
- If an athlete has been suspended for 2 days or more (consecutive or cumulative), the athlete will be removed from the squad. Athletes will also be ineligible for the following term.

6. Referral: Referrals to and disciplinary actions taken by the deans will be communicated by the deans to coaches. Student/athletes may face disciplinary actions at the discretion of the coach, including suspension from competition.

REMOVAL OR QUITTING

If an athlete removes oneself (quits) from the team for any reason (with the exception of prolonged illness or injury with a doctor's note), student will not be eligible for another team until the previous season has ended, including postseason.

IV – GRADES: CHEER POINT SYSTEM

CHEER POINT SYSTEM

Based on the Student-Athlete Code of Conduct sections above, athletes will have a corresponding score for the cheer season.

ABSENCES DUE TO COVID

If an athlete has COVID-like symptoms, they should at-home test and provide the results to the Coaches. In the case an athlete tests positive, they must quarantine, and only return to cheer once they can provide negative COVID results and are symptom-free for 24 hours.

EXCEEDING UNEXCUSED ABSENCES

Any athletes exceeding 2 or more unexcused absences or 2 or more No-Call, No-Show absences per Calendar Season (see pg. 4) may have the following consequences:

 - **STUNT Games:** Duration can be 1-2 hours (for warm-ups and performance)

VIII - PARENT INVOLVEMENT

SCHEDULE

Practice schedules will be published in a timely manner- at least one month in advance.

Most up-to-date Cheer Events are published on the cheer website: www.westmontcheer.com/calendar

FUNDRAISING

We must fundraise all year long in order to cover our annual operation fees. There will be several fundraisers available to participate in. It is imperative that parents and athletes participate in these fundraisers to make them the most successful. Before each fundraising opportunity, you will be notified of ways in which you can assist.

FOOD AND DRINKS

Healthy snacks and drinks are expected from volunteer team families. Practices can exceed up to 3 hours per practice. Efforts will be made to schedule rotating parents to bring food and drinks so all team members can stay energized for success.

TRANSPORTATION

Transportation to practices and games is the responsibility of the student and her/his family. Although we have been able to arrange carpools to games in the past, District policy has changed and that will no longer be an option. Students may not drive themselves to away games. Student's parents will need to transport their own child to away games. Please be aware of traffic and other transportation issues and plan accordingly. Parents interested in carpooling can become an official carpooling parent through the District. Please inquire with the Coach/Advisor for these forms.

PARENT MEETINGS

Every month, there will be Parent Meetings to get the parents' input on team activities, give updated information, and answer any questions. In order to get the best input, we need as many parents as possible to attend these meetings. All meeting dates and times will be sent through email and team calendars.

OTHER INVOLVEMENT

All parents/guardians are highly encouraged to meet with one another to help support the Westmont Cheer Team. This may include additional meetings, videographer/photographer, score statisticians, and volunteers to bring healthy snacks and water to events.

TERM OF OFFICE: February 6, 2025 – May 2025 (Last STUNT Game)

Athletes from TCC are excused from trying out for STUNT if they are a part of a Spring Sport. AD must sign-off.

TRYOUTS: February 4-6, 2025

STRONGLY ENCOURAGED SKILLS FOR TRYOUTS:

- Tumbling: Un-spotted Standing Back Handspring or higher
- Stunting: Skills will be assessed by the Coaches

SQUAD COMPOSITION:

Freshmen – Seniors: All athletes compete as Varsity for Spring 2025 Stunt (there is no JV division)

(CSC) STUNT GUIDELINES:

- CSC: Competitive Sport Cheer (AKA STUNT)
- STUNT practices will be during Sideline Cheer and TCC practice times (Tuesday, Thursday)
- STUNT athletes must be available to compete on Monday – Saturday.
- One month notification of an absence for a STUNT game is required. Anything less than a month will be at the Coach's discretion to keep that athlete on the STUNT team.
- If an athlete misses a STUNT game for any reason (outside of injury, death of a family member, hospitalization of the athlete, or academic probation), the athlete will be removed from the STUNT team for the remainder of the cheer season.
- Performance during rallies and other specified special events may be required.
- Must attend 2 out of 3 classes daily in order to be eligible for athletic contests, and must participate fully in all classes including P.E. Students who are absent from school for "unexcused reasons" are not eligible to participate in athletics for that day.

(CSC) STUNT EXPECTATIONS:

- Athletes will learn 18 routines that they can possibly compete in. The 18 routines are 6 routines per 3 categories. It will be optimal for each athlete to know 3-5 routines of each category. The categories include: Partner Stunts (PS), Pyramids/Tosses (PT), Jumps/Tumbling (JT)
- Very similar to other sports, there will be more athletes on the team than can participate in a routine. For example, given 20 athletes on the team, only 4 athletes can participate in Partner Stunt routines.
- Depending on the routine difficulty and on the athlete's ability, some athletes of the team may not participate at tournaments.
- Tournaments will be against 1 – 10 other High Schools around the CUHSD district.
- State Championships can be in Northern or Southern California
- **Travel:** Games and tournaments will be no more than 1 hour away from Campbell, CA, aside from State Championships.
- **Objectives & Guiding Principles:** To create a new sport derived from cheer that will accomplish the following:
 1. Create new opportunities for female athletes at the collegiate and high school level.
 2. To preserve traditional cheerleading as a vital and important part of a school's Cheer program.
 3. Satisfy all requirements for Title IX and qualify for sport status at the College and High School level.
